

Molecular medicine from signal transduction to societal impact: A journey through challenging territories

How the community explored the basis of cellular regulation to understand disease and plan interventions for the benefit of society.

20 FRI

09:00-09:10
09:10-09:20

Welcome by Rector **Markus Müller**, MedUni Vienna
General Introduction by **Giulio Superti-Furga**, CeMM

Session 1:

Decoding Signals, Chair: **Florian Grebien**, VetMed Vienna

09:20-09:25
09:25-10:05
10:05-10:25
10:25-10:45
10:45-11:15

Introducing remarks
Tony Hunter, Salk Institute
Daniela Barilà, University Tor Vergata Rome
Oliver Hantschel, Marburg University
Yossi Yarden, Weizmann Institute

11:15-11:40

Coffee Break

Session 2:

Understanding Networks, Chair: **Berend Snijder**, ETH Zurich

11:40-11:45
11:45-12:10
12:10-12:35

Introducing remarks
Marc Vidal, Dana-Farber Cancer Institute
Evangelia Petsalaki, EMBL-EBI

12:35-13:30

Lunch Break

13:30-13:55
13:55-14:15

Patrick Aloy Calaf, IRB Barcelona
Andreas Pichlmair, TU Munich

Session 3:

Harnessing Proteostasis,

Chair: **Stefania Gonfloni**, University Tor Vergata Rome

14:15-14:20
14:20-14:45
14:45-15:05
15:05-15:30
15:30-15:50

Introducing remarks
Brenda Schulman, MPI Munich
Maria Gorna, Warsaw University
Michael Way, Crick Institute
Georg Winter, CeMM

15:50-16:30

Coffee Break

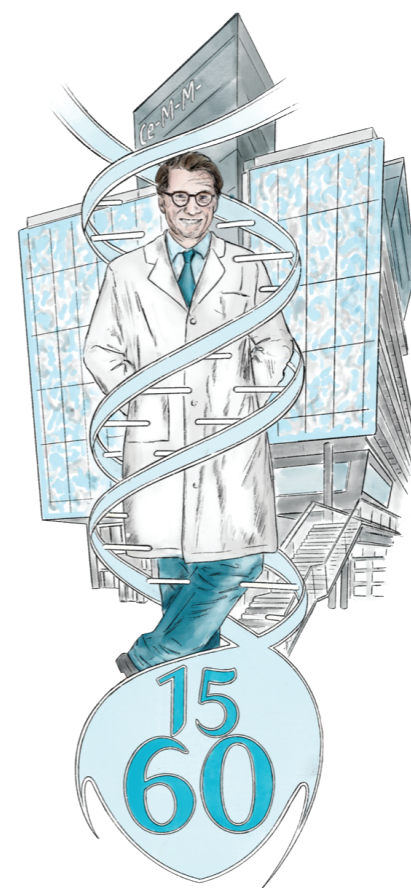

Session 4:

Inventing Drugs, Chair: **Enrico Girardi**, Solgate

16:30-16:35
16:35-17:00
17:00-17:15
17:15-17:20
17:25-17:40
17:40-18:05

Introducing remarks
David Hepworth, Pfizer
Uwe Rix, Moffitt Cancer Center
Thomas Reiberger's energizing exercises
Kilian Huber, Oxford University
Andrew Hopkins, Exscientia

Cocktail Reception at House of Industry

SYMPOSIUM SCHEDULE

MAY 20th and 21st 2022

House of Industry

VIENNA

CONTACT

office@cemm.oeaw.ac.at

A scientific
symposium on the
occasion of Giulio
Superti-Furga's
60th birthday and
15 years of CeMM

21 SAT

- Session 5:** **Creating Impact**, Chair: **Raffaella Mangano**, CRUK
 09:00-09:05 Introducing remarks
 09:05-09:25 **Gitte Neubauer**, GSK
 09:25-09:45 **Giulio Draetta**, MD Anderson Cancer Center
 09:45-10:05 **Werner Lanthaler**, Evotec
- Session 6:** **Helping Patients**, Chair: **Michael Freissmuth**, MedUni Vienna
 10:05-10:10 Introducing remarks
 10:10-10:30 **Nadia Rosenthal**, The Jackson Laboratory
 10:30-10:50 **Daniel Aletaha**, MedUni Vienna
- 10:50-11:20 *Coffee Break*
- 11:20-11:40 **Greg Vladimer**, Allcyte/Exscientia
 11:40-12:05 **Jay Bradner**, Novartis
- 12:05-13:00 *Lunch Break*
- Session 7:** **Taming Cells**, Chair: **Rüdiger Klein**, MPI
 13:00-13:05 Introducing remarks
 13:05-13:30 **Thomas Graf**, CRG Barcelona
 13:30-13:55 **Carl-Henrik Heldin**, Uppsala University
 13:55-14:20 **Thijn Brummelkamp**, NKI
- 14:20-14:50 *Coffee Break*
- 14:50-15:15 **Meinrad Busslinger**, IMP
 15:15-15:40 **Gaia Novarino**, ISTA
 15:40-16:05 **Angel Nebreda**, IRB Barcelona
- 16:05-16:15 *10 minute minibreak*
- Session 8:** **Creating Context**, Chair: **Markus Müller**, MedUni Vienna
 16:15-16:20 Introducing remarks
 16:20-16:40 **Helga Nowotny**, Austrian Council
 16:40-17:00 **Christiane Druml**, MedUni Vienna
 17:00-17:20 **Alison Abbott**, Consultant at Nature
 17:20-17:40 **Heinz Fassmann**, UniVienna
- Concluding remarks:**
 17:40 - 18:00 **Giulio Superti-Furga**, CeMM
- Time to refresh**
 19:30 *Gala Dinner*

A scientific symposium on the occasion of Giulio Superti-Furga's 60th birthday and 15 years of CeMM
